

# 3<sup>rd</sup> NORDIC CONFERENCE ON RARE DISEASES

HELSINKI, September 4 - 5, 2014

## Call for Papers

### Paper Submission

The Finnish Network for Rare Diseases and the Nordic Rarelink Group invite you to submit abstracts for poster or general session papers for the 3<sup>rd</sup> Nordic Conference on Rare Diseases (NCRD 2014).

The closing date for paper submission is the 1<sup>st</sup> of April 2014.

The presenters will be informed about the acceptance by the 18<sup>th</sup> of April 2014.

The conference language is English.

### Guidelines and Criteria

The Committee welcomes submission for short informal description for appr. 15-30 min oral or poster presentation. The proposals should relate to the conference themes and include interesting projects, cases, research, cooperation, new ideas or services regarding rare diseases.

The main themes of conference are:

- Nordic cooperation within rare diseases
- Rare diseases without borders
- Screening and ethics
- Empowerment and experience based practices
- Research with and for patients

Other themes related to rare diseases will also be considered.

The synopsis should:

- identify the main points of the presentation with 300 words
- include a suggested title
- be submitted through the call for papers submission e-form on [www.harvinaiset.fi/Helsinki2014](http://www.harvinaiset.fi/Helsinki2014)

Presentations with marketing and advertising content will not be accepted.

The maximum size of each poster is A0 portrait (width 84,1 cm x height 118,4 cm).

*Poster or presentation applicants are not exempt from paying the full registration fees to attend NCRD 2014.*
